Community Service Volunteer Log

This form allows you to record your hours of community service on your official DMAC transcripts. Your transcripts are a permanent record of your academic achievements and a direct reflection of your college career.

Guidelines:

- All logs must include a business card or contact information of the organization, along with the signature of the supervisor.
- Logs not including all information will not be accepted.
- Only hours during the community service year will be accepted.
- Internships or paid hours will not be accepted
